

East and Greenwell Insurance recognized among top Allstate agencies nationally

ESTERO, Fla. (March 6, 2018) – East and Greenwell Insurance has been awarded Allstate’s “Agency Achievement Award” for the third consecutive year. The prestigious award is Allstate’s highest regional award and honors a very select group of only 54 agencies out of more than 10,000 nationwide. The award is based on previous year’s business results, as well as top customer satisfaction and retention measures.

“Compared with other large agencies in the state of Florida, we had the highest percentage of customers who renewed policies with us in 2017,” said Kevin Greenwell. “Our experienced team has done an extraordinary job of taking good care of every customer equally—and this award three years running is a true testament to their dedication to our customers, hard work and achievement.”

For the fifth consecutive year, East and Greenwell was also named an Allstate “Inner Circle Elite” agency for ranking in the top three percent of agencies nationally in auto, property and commercial insurance and financial services.
